PROFESSIONAL EXPERIENCE

Senior Analyst

Jun 2019 – Present

Expo Group | Dhaka, Bangladesh

- Led Expo Group's Qatar Airways Cargo GSA mandate end-to-end — from competitive bid and application through documentation, budgeting, HR planning, and permit/regulatory coordination to operational launch — building a GSA portfolio generating ~BDT 12 crore (~US\$1 million) in annual revenue.
- Coordinating the planning and setup of Expo Group's US\$28.75 million Sitakunda ICD/CFS — a 26.66-acre off-dock logistics hub 22 km from Chittagong Port (projected 38% IRR, ~3-year payback) — leading new-entity formation, land-acquisition coordination (20.55 acres secured), and licensing/regulatory documentation.
- Developed and executed business-development strategies across multiple SBUs (APS, Expo Freight, OSL, EHL, BCCL, Acorn Ventures), ensuring alignment with group objectives.
- Built financial and commercial frameworks — financial models, business cases, and sectoral data analysis — to support investment decisions, partnership structuring, and risk assessment.
- Translated research and analysis into executive-ready reports, articles, and seminar presentations for senior management and public forums.
- Provided structured governance for strategic projects spanning documentation, budgeting, resource planning, and regulatory approvals.
- Led airline GSA portfolio development, including market assessment, proposal development, and competitive bidding.
- Brokered a reciprocal delivery partnership between e-Courier and Aramex Bangladesh — Aramex as e-Courier's international delivery partner and e-Courier as Aramex's domestic delivery partner.

Senior Executive

Dec 2017 – May 2019

Euclid Technologies | Dhaka, Bangladesh

- Partnered cross-functionally to align sales, operations, and customer-service activities with forecasting and demand planning.
- Evaluated suppliers and negotiated contracts to optimize commercial terms and partnership reliability.
